

“AND THE RIGHTEOUS SHALL LIVE BY FAITH” (Habakkuk 2:4)

“AND THE RIGHTEOUS SHALL LIVE BY FAITH” (Romans 1:17)

Voices of Faith at Faith

Volume 50 October 05, 2026

To the beloved Faithful Islanders and beyond.

RACISM CAN SOMETIMES BE EXPENSIVE....BEHIND ON YOUR ROUTE FOR DELIVERY!!!

I saw this story online. So, there is this White trucker at a gas station. Something was going wrong at the top of his truck, so he decided to get his ladder to climb to the top. He fixed whatever needed fixing and as he was ready to come down, he realized that his ladder had fallen flat on the ground. He is up there seeking help. He asked people to help put his ladder against his truck so that he could come down. There weren't many people at the gas station at that time and then one guy heard the call and went to help.

Then there was a problem. The guy who came to help was Hispanic. He had not even opened his mouth and was trying to lift up the ladder. The White guy opened his mouth and said, “Are you even a legal citizen of this country? Do you even speak English? I might have to call ICE on you.” ICE | U.S. Immigration and Customs Enforcement.

The guy who was trying to help told the racist guy that with his kind of attitude he was not going to help him. Now the racist is stuck up there on his truck and mouthed off to the guy who was going to help, “I’m going to get down there one way or the other.”

Unbelievable that someone can be this hateful that when they see someone who is not White, they immediately want to do harm to them.

We have come this far by faith, even if it's the size of a mustard seed, the smallest of plant seeds.

PRAYING FOR THE FAMILIES OF THE WORLD....

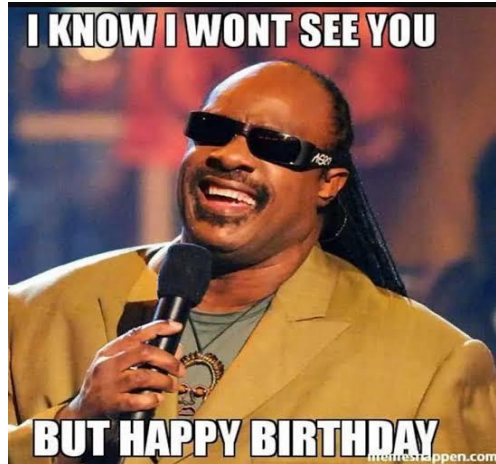

At times as families we face challenges that almost take our breath away. We suffer in silence. We still smile every time around other people who have no idea what we are facing in our lives. The best thing we can do for one another is always say kind words to each other. The one going through a difficult time will be uplifted by your kind words and realize that there are still good people in our world.

GOD’S WORK, OUR HANDS

Saints, we are invited to donate socks for the unhoused individuals in our community.

Please read the article below. Used and new socks will help the population. I, myself, am cleaning up my socks drawer...

"Would you spread the word among your church members that 2nd Hand Rose is collecting SOCKS 4 the Street People between now and December 23? Any size, any color, any material-nylon, wool, cotton, poly, any wearer - men, women, children; any length. The canine companions especially enjoy the longer socks, as their legs don't have much insulation and they are easier to keep on with rubber bands or string. Golf socks too! Not necessarily new, but definitely clean and not holey. Clean out the socks drawer in time for a new school year! I can pick up on Wednesdays around noon as I am a Bible study across the street at Resurrection Hall on Paulette Drive. Any interest?"

WORDS OF WISDOM FROM KNOWN AND UNKNOWN SOURCES...

"Hackers need to step their game up and delete everyone's loans, bad credit, and mortgages."

"Technology was supposed to make life easier. Instead, I now have to update the refrigerator, reset the Wi-Fi, verify I'm

human, prove I own my own account, and explain to a robot why I need help."

"Company math: 3 people quit---hire zero---give everyone else 12 new responsibilities."

"Due to the ridiculous gas prices, I will no longer be stopping at stop signs or red lights. I can't afford to idle. Thank you for your understanding, and stay safe."

"I decided to take an aerobics class. I bent, twisted, gyrated and jumped up and down for an hour. By the time I got my leotards on, the class was over."

"Lady in front of us in 15 items or less lane with about 30 items. So, I smiled and said, Math wasn't your strongest subject, was it?"

"Whoever came up with the word dentures, really missed an opportunity to call them substitooths."

"The best singer in the world is a mosquito. Even if you don't like the song, you have to clap your hands."

"Can someone please just give me a participation trophy for making it through today, please."

"We wanted to be adults so bad. Now look at us, stressed, broke, tired, and excited when laundry's done."

"The economy is in therapy. Please hold."

"My mornings are not for your problems...please regulate before making eye contact."

"I've reached that age where my favorite part of the morning is wondering how soon I can go back to bed."

Peace, Pastor Thulie
